The National Alumnus Federation held the 2nd Session of the 5th member's representative assembly in Kaohsjung palace of Japanese food last Saturday (the 28th) for warming up the 56th school anniversary. The event was held by president of The National Alumnus Federation, Chen Ching-Nan, and invited the school presient and Director of Alumnus' Service and also the dean of Resource Development, Chen Min-Nan. They decided to move the event to Lanyang campus hosted by Shu Cheung-Ron, the president of Ilan Alumnus Association and give the tour there next year.

With the most participants ever from the records, 85 participants in the event included presidents of Taipei, I-Lan Alumnus Association and members from 24 cities and counties in Taiwan. Chen Ching-Nan said, “this is the first time to hold the event in Southern Taiwan with many people from the association which is a great thing.”

President of Alumnus Association of Kaohsjung city, Chou Ling-Wen arranged a night cruise tour along the “Love River” after dinner. The next day (the 29th), they visited ' the special crocodile's ecological farm ' managed by the Alumnus from Department of Chemistry. They not only enjoyed the crocodile meal but also had a lesson of crocodile's ecology. Such an interesting tour, everybody said: “it was really worthwhile! “ (~ Johnny Chu)
