

EMBA WILL HOLD A CONFERENCE ON ENTERPRISES' MANAGEMENT STRATEGY AGAINST THE THREAT OF GLOBAL WARMING ON OCT. 31 AT TAIPEI CAMPUS

英文電子報

The EMBA of TKU will hold "2009 Conference on Enterprises' Management Strategy against the Threat of Global Warming" at 9 a.m. on Oct. 31 at Chung-cheng Memorial Hall, Taipei Campus, and some well-known entrepreneurs in Taiwan will be invited to take part in. After the conference, there will be a workshop, in which a futurist scholar Dr. Sohail Inayatallah will discuss some particular cases on future trends with EMBA teachers and students at D324.

Apart from the opening speech, delivered by Dr. Clement C.P. Chang, Founder of TKU, and Dr. Flora C.I. Chang, President of TKU, in the conference, Dr. Lin Chiang-feng, the Executive Director of TKU EMBA, will talk about European Union's strategy to deal with the impact of global warming and climate change. Mr. Chen Fei-lung, Chairperson of Nanchow Group, and Mr. Lin Hur-lon, General Manager of Green Energy Technology Inc., Ltd., will also give speeches, sharing their experience with participants.
