Recently, a group of 4th year TKU Mass Communication students (the “Galaxies”) entered the first annual WOWtv Film Production Contest. Their film “Alien Grandpa” received an award for “outstanding feature film” , earning them a certificate and an NT \$5,000 cash prize. In addition, they will get the chance to receive expert advice from leading Taiwanese and international film makers, such as the director of the well-known Taiwanese movie “Au Revoir Taipei” , Arvin Chen, and the producer of the Hollywood blockbuster “Superman Returns” , Chris Lee.

The producer of the award winning feature film, Chen Kai Ting, explained that: our initial aim in shooting this film was to display the complexity of the adult world through the innocent eyes of a child.
