學校要聞

Recently, students from Tamkang University, Aletheia University, and St. John' s University gathered to promote a significant cause. The students are members of the “Vote for Jade Mountain Club” and have been busy raising awareness of Jade Mountain' s bid for the ‘7 natural wonders of the world’ . On the 28th, they assembled in front of the Danshui MRT Station to urge local residents to cast an all-important vote.

Before the deadline of Nov 11, the public can also cast their vote by cell phone. All you have to do is send a text message with the letters “Yushan” to 55123. Voting online, however, will put you in the running to win a number of large prizes. For details, refer to the website <http://vote-yushan.ysnp.gov.tw/02sign.asp>.
