學校要聞

The Office of Student Affairs will this year hold various activities to promote the TKU “Year of Moral Integrity”. One such event was the opening ceremony of the Tamkang “Moral Integrity and Culture Week”, held on March 18 at the TKU Fu Yuan Garden.

It was hosted by the President of TKU, but all senior staff took part, including the Vice President for Administrative Affairs, Dr. Po-yuan Kao, and the Dean of Student Affairs, Dr. Ko Chih-en. The ceremony encouraged students to serve as role models for the community. Students made vows, pledging to serve as examples of positive moral conduct to show temperance and discipline to be filial and to respect their elders to respect all forms of life to create a clean environment and maintain a pure heart to be grateful to live by the TKU school motto (simplicity truthfulness, firmness, perseverance) to be fair and just to care and be kind to others and to be responsible, upstanding citizens.

Students also crafted a “train track of moral integrity” (made of paper), which winds through the campus and has “train stations” named after moral values. Moreover, the organizing body, the Office of Student Affairs, has set up a Facebook fan page called “students have morals Tamkang has integrity”.
