

An Award for Effectiveness in Project-Based Learning

學校要聞

Teachers from the TKU Center for Teacher Education previously went to Zhuwei Senior High School - a high school located in the larger Tamsui District - to help hold a Teachers' Workshop on Global Education and Professional Development. Their efforts helped Zhuwei High earn the highest possible recognition, an Exceptional Learning Award, at the International Education and Project-Based Learning (PLB) Presentation Competition. The Presentation was held by iEARN Taiwan on April 27.
