【Reported by Yi-wan Lu, Tamkang Times】Jilin University sent 6 representatives from the Department of Language Education to visit Tamkang University on May 20th. They were met by Vice President of International Affairs, Wan-chin Tai, and had a discussion in the Chueh-sheng International Hall. The discussion took place between the language educators and revolved around international economic issues of the North Eastern region of Asia. Wan-chin Tai expressed, “Our two universities have had an academic exchange in place since 2001. Over the years our relationship has been very active and beneficial. I’ m personally very pleased to have you for this visit and I hope that our relationship becomes even closer in the future.” Afterwards the representatives of Jilin University went into detail on how to raise the quality of the current exchange.
