

## TKU' s Education System Reaches Out to Indonesian Students

學校要聞

【Reported by Qi Zhuo, Tamkang Times】 In order to strengthen the academic exchange between Taiwan and Indonesia, the Director of the Admissions Section, Hui-chuan Chen, participated in the 2014 Indonesian Education Development event. The event took place in Jakarta and Hui-chuan Chen expressed that the Chinese market will eventually become the global market, making Chinese language courses a valuable commodity for higher education. Hui-chuan Chen reported that this Chinese research camp received a warm welcome and is sure to help attract many new Indonesian students in the near future.
