

The Ministry of Education' s Assessors Evaluate TKU' s International Education System

學校要聞

【Reported by Xin-yu Wang, Ying-tian Fan, Tamkang Times】 On the 12th of November the Junior College International Quality Evaluation took place inside the Chueh-sheng International Conference Hall. In attendance was President Flora Chia-I Chang, the three university vice presidents and various first level administrators. They welcomed Minister of the Ministry of Education along with 4 assessors who gave suggestions to help TKU in the area of international development. They expressed that the incorporation of internationally-oriented education has raised the quality of TKU' s learning environment.
