

Sungshin' s Women' s University Visits TKU

學校要聞

【Ya-ting Zhan, Tamsui Campus Report】 Sister school from South Korea, Sungshin' s Women' s University, came to visit Tamkang University on Apr. 20. The delegation of 5 professors was lead by President Hwa Jin Shim and they were met by President Chia-I Chang, Vice President of International Affairs, Wan-chin Tai, Director of the Office of International and Cross-Strait Affairs, Pei-wha Chilee and Dean of the College of Business and Management, Chien-liang Chiu. The two parties enjoyed a fruitful exchange with aims of strengthening their academic partnership.

President Chang shared TKU' s recent accomplishments and projects regarding the establishment of accredited student organizations and the increase of student unity as well as capabilities. Wan-chin Tai described the international student study program that currently consists of 1,800 students. He also made mention of the many English-taught programs, Chinese language resources while welcoming students of the Korean university.

President Hwa Jin Shim discussed current cooperations of their university with Japan and Mainland China, suggesting TKU use the international partnership as a model for future exchanges. The Korean President also welcomed TKU students for study at their fine university.
