

20 Student Clubs Rock the House

【Shao-qi Zhang, Tamsui Campus Report】The student clubs light up the night at the student activity center! The “My Club’s Generation” student club recruiting exhibition was held by the Extracurricular Activities Guidance Section on Sept. 14, and performances from 20 different clubs had the audience on their feet. The Night of the Student Clubs featured three different hosts and was comprised of dance, cheerleader performances, music and more. The Western Music Club used high-pitched melodious sounds to ease the listeners; the String Orchestra Club and Harmonica Club left a distinct pleasant sound upon the audience; both the Guitar club and the Choir left the audience feeling moved by the soft sounds. Afterwards the audience was dazzled by the Magic club that donned all black clothing as they mesmerized the crowd. First-year student of the Department of Political Science, He Wen stated, “The performance from the Xinzhu Miaoli Alumni Club was as professional as it gets!”
