

DEPARTMENT OF INDUSTRIAL ECONOMICS TO HOST AN INTERNATIONAL
CONFERENCE

英文電子報

The Department of Industrial Economics (DOIE) will host an international conference on Trade and Industrial Economics on this Friday, March 24 at Taipei Campus. There will be 30 papers presented in 9 sessions at 3 different venues. The key-note speaker is Dr. Kwan Choi from the University of Iowa of the US, delivering a topic on “Factor Growth and Equalized Factor Prices.”

Apart from the US, many presenters come from Japan, Hong Kong, and the UK, there are also local scholars from various universities in Taiwan. (~ Ying-hsueh Hu)
