

## Outstanding Tamkang Teachers Rewarded

學校要聞

The Taiwan Ministry of Education (MOE) rewards teachers for longstanding service at institutes of higher education. It does so by gifting such teachers with cash prizes and subsidies.

This year, a total of 63 Tamkang teachers were recognized for their ongoing efforts in instruction. Pan Yuh-yeh was rewarded for 40 years of service as an associate professor at the TKU Department of International Business while numerous faculty members were recognized for 30 years of service: Hsiao Shu-feng, Hu Yi-jen, Jui-Kuei Chen, Hsu Ting-chi, Yen Rainfield, Wang, Chi-ming, and Tam Bit-shun.

Associate Professor Pan teaches courses such as ‘Financial Management’ , ‘International Financial Management’ , and ‘Business Merger Management’ . She believes that society is currently undergoing a gradual change, from a tradition-based society to one based on innovation and creative thinking. Third year International Business student, Wu Yiling, commented: “Associate Professor Pan is a very hard-working teacher. Her classes are informative and she really cares about the students” .
