The Symposium earned high praise from the government of the Zhejiang Province, Mainland China, which was so taken by the event that it donated - through the Zhejiang University Academy of Financial Research - RMB\$50,000.

The Director of the Cross-Strait Financial Research Center, Dr. William T. Liu, commented: "This is the first such donation of this kind conferred to a public or private university in Taiwan. It is a real honor that affirms TKU's academic esteem".
