

Discussion with Overseas International Enterprises

學校要聞

【Reported by Zhi-jun Liu, Tamkang Times】The Research Department had a meeting to work together with the Department of Finance on market investments in the Chueh-sheng International Conference Hall on November 25th (Friday). The 2013 Taiwan International Business Plan discussed the needs of foreign personnel. They invited professor Wo-Chiang Lee and Chin Yang Sue from the Department of Finance, Kauo-hwa Sun from the Department of Mechanical and Electro-Mechanical Engineering, as well as Asia-Pacific personnel and the Head of the Board of Trustees in Shanghai, Ms. Xiu-wan Zhang. They discussed the current tendency of change in today's market as well as employment opportunities and related risks. The manager of the group from the Department of Research, Chien-yu Wang, expressed, "It's a rare opportunity to meet with figure heads from overseas international enterprises. I'm excited to welcome them today to share information that will be crucial for our development."
