

## MOE Will Evaluate TKU' s International Operations

學校要聞

【Yu-xun Zhou, Tamkang Times】 The Ministry of Education' s Evaluation Committee will come to Tamkang University on the 12th of November for the assessment of the Junior College International Education Operations. The visit will take a closer look into the shape of TKU' s international environment and how it relates to helping overseas students adapt and learn. The evaluation will consist of the university' s international development and uniqueness, international student support, international administration resources, international websites and international exchange programs.
