【Shao—qi Zhang, Tamsui Campus Report】 From May 24th to the 29th Director of the Office of International and Cross Strait Affaris, Pei—wha Chilee, traveled to Boston for the 2015 American Education Conference. She expressed, “It’ s the largest educational conferences in a America with a total of 10,000 participants. Not only were we able to have a great exchange with members of our sister schools, we were also able to plan more future academic exchanges and cooperate on curriculum ideas. This is certainly a step in the right direction in terms of international development.”
