

TKU Teacher' s Take Career Counseling Workshop

學聲大代誌

【Ting-yu Su, Tamsui Campus Report】 In order to strengthen staff members' ability in terms of career counseling, the Career Guidance Section is holding the first annual Career Training Workshop- CPAS. Vice President of Career Magazine, Yin-hua Chi, and 4 speakers will give a 32 hour seminar based on career knowledge and information to 12 departments of TKU. Director of the Career Guidance Section, Fang-ling Wu, expressed, "After the training, teachers will receive certification and it' s my hope that students will be able to better prepare for their career through the teacher' s counseling. Assistant professor of the Department of Chinese, Wei-shu Lin, expressed, "After the seminar I really see the importance of career counseling and we will be able to more effectively assist students and create more internships."
