

Lights Shine for 2016

學校要聞

The Tamkang University campus' walkway continues to grow even more beautiful with colorful lights and decorations. TKU reporters including fourth-year student of the Department of Electrical and Computer Engineering, Guo-zhen Wu, fourth-year student of the Department of Chinese, Xin-yu Wang, fourth-year student of the Department of History, Shi-qing Huang, fourth-year student of the Department of Mass Communication, Luo-zhen Cai and second-year student of the Department of International Business Management, utilized this traditional colorful method of lighting to welcome the year 2016. Guo-zhen Wu expressed, "Last year we used flashlights for the new year' s celebration, but this year we used smart phones." (Photographed by Guo-zhen Wu)
