## Lights Shine for 2016

學校要聞

The Tamkang University campus' walkway continues to grow even more beautiful with colorful lights and decorations. TKU reporters including fourth—year student of the Department of Electrical and Computer Engineering, Guo—zhen Wu, fourth—year student of the Department of Chinese, Xin—yu Wang, fourth—year student of the Department of History, Shi—qing Huang, fourth—year student of the Department of Mass Communication, Luo—zhen Cai and second—year student of the Department of International Business Management, utilized this traditional colorful method of lighting to welcome the year 2016. Guo—zhen Wu expressed, "Last year we used flashlights for the new year's celebration, but this year we used smart phones." (Photographed by Guo—zhen Wu)
