學校要聞

【Kai-jun Lin, Tamsui Campus Report】 The Office of International and Cross Strait Affairs (OICSA) held the “2016 Tamkang World Forum for Youth Leaders” from Jan. 19–22. This year’s forum was themed Prospects of the World: Meeting Challenges with Vision. In attendance was Vice President of International Affairs, Wan-chin Tai, Director of the OICSA, Pei-wha ChiLee, Dean of the College of Science, Zi-cong Zhou, Dean of the College of Engineering, Chii-dong Ho and Dean of the College of Foreign Languages and Literature, Hsiao-chuan Chen.

There was a total of 13 students of universities of different countries that gathered to discuss issues regarding the global economy, world peace, global warming, world culture and society, and global politics. Wan-chin Tai expressed, “This is the third year to hold this forum and we’ve invited sister schools from abroad to participate in an exchange with local students to stimulate a wider range of understanding on global issues. The modern generation is faced with many trials and through this exchange, I hope to prepare students to create a better future.”

Third-year student of the Department of German, Xiao-pei Gu, shared, “This forum allowed me to gain a different viewpoint from students of various countries and learn of things I never considered before.”
