

Mr. & Mrs. Lin Chia-ho Set up a Scholarship Fund for NT\$1,500,000.00 for TKU Needy Students

英文電子報

It is indeed great news to learn that Mrs. Lin Chen Tz-hsin, wife of Mr. Lin Chia-ho, Director of the Board, Kuo Chih Electronics Co., Ltd. has donated NT\$1,500,000.00 to use as a scholarship fund to help out needy students at TKU.

Last year, Mrs. Chen had already set up a separate fund for NT\$1,000,000.00 and NT\$500,000.00 and designated that the former be given to TKU needy students and the latter to students in Department of Water Resources and Environmental Engineering.

Mrs. Chen said that her husband came from a needy family and he could vicariously realize the hardship he experienced while he was a high-school student. Now, coincidentally, they have two sons studying in Water Resources & Environmental Engineering and Electrical Engineering of TKU. For this reason, they feel even more vehemently the urge to help.

On the other hand, Mr. Lin said they learned from Mr. Tai Chung-ho, an alumnus from the Graduate Institute of Management Science, currently Chairperson of the Board, Asahi Co., Ltd., Taiwan, that Pres. Chang Horng-jihn told him how hard it is trying to seek donation from manufacturers. With his generous move, he is hoping he can relieve some of Pres. Chang's heavy burden.
