

Five Research Proposals of T.K.U. Faculty Approved by the Ministry of Education

英文電子報

Five research proposals submitted by professors of T.K.U. have been unanimously approved by M.O.E., the grant approved totaling N.T.\$ 47,800,000.00.

This was in response to a call of “Elevating the Ground Level of College Education Program” implemented by the Office of Higher-Education (gao-jiao-shih) within the M.O.E.

The other universities that have earned the equal honors are: Chung Yang, Cheng Kung, Yang Ming and Chung Yuan Tai Ta, Chiao Ta, Ching Ta and Kao-hsiung Tech., however, fall back behind T.K.U.

The research projects submitted by the faculty of T.K.U. is reviewed as “carefully planned” and “categorically feasible”.

The topics of the five proposals are:

1. “How to Integrate the Scientific Web-site Resources and Integrate Them to the Pedagogical System of the Multi-lingual ‘Imaginary’ Classroom---the Language Media: French” by Associate Prof. Hsu Hun-hui, Department of French
2. “An Integrated Study of the Curriculum System within the Data Processing System and Digital Library” under the supervision of Prof. Huang Shih-hsion, Dean, College of Liberal Arts

3. “The Revised Program of College General Education and College Education of Humanities” by Prof. Hsu Ting-chi, Dean, Educational Development Center
4. “How to Elevate Cross Departmental Basic Chemistry Teaching & Experiment” by Prof. Wang Wen-jwu, Department of Chemistry
5. “How to Elevate Basic Mathematics: A Pedagogical Approach to the Study of Lineal Algebra” by Prof. Kao Ching-mei, Chair, Mathematics Department.
