

An exhibition featuring the exchange success between architecture major students

英文電子報

An exhibition featuring the exchange success between architecture major students from Royal Melbourne Institute of Technology (RMIT) , and their counterparts from the Department of Architecture and Technology, T.K.U. is being held at Arts Gallery in Itung Park, ending a 2 month exchange program with a bang!

During the two months' sojourn, the visiting students had taken courses here and had exchanged their learning experiences with the local students. A similar program modeling upon the original one by sending T.K.U. students to Melbourne will soon follow.

A farewell party will be held at the International Conference Room, Ching Sheng Memorial Hall on September 21, Friday. Pres. Chang Horng-jihn is expected to come. A no-host luncheon will be given after the party.
